STORAGE INSTRUCTIONS:

Keep frozen until ready to use. Remove only the number of crusts needed, then reseal the bag and return the remaining product to the freezer. The crust can be baked directly from frozen or allowed to thaw at room temperature for approximately **5 minutes**. A brief thaw helps relax the dough and makes topping application easier.

For operational efficiency, many restaurants move the number of boxes needed for the next day from freezer to refrigeration the evening before service.

If additional crusts are thawed but not used, store them in a sealed bag in the refrigerator. Thawed crusts will remain fresh for up to 14 days. **Do not refreeze after thawing.** Discard after **14 days** or if signs of spoilage appear.

INGREDIENTS: Wheat, Fava Flour, Rice Flour, Water, Yeast, Extra Virgin Olive Oil, Salt.

FOOD ALLERGY NOTICE: According to labeling regulation EC 1169/2011. Contains Gluten.

BAKING INSTRUCTIONS:

Preheat oven to 475°F or higher. Suitable for electric, gas, wood-fired ovens, or air fryers. For Panini Sorriso, a panini press may also be used. Do not bake in a pan. Place the crust directly on the oven rack for optimal crispness. The crust may be baked from frozen. For best results, place the crust in the oven for 30 seconds, remove, apply desired toppings (bubble side facing up), then return directly to the rack. **Bake for 5-7 minutes**, adjusting based on the type and quantity of the toppings. The Pinsa is ready when it turns a golden brown color
